The NHS is a very elite group of students who possess a great deal of these four qualities- SCHOLARSHIP, CHARACTER, LEADERSHIP, and SERVICE.

Members of our society includes Susan Wright, President; Patricia Mitchell, Vice President; Nancy Ahart, Secretary-Treasurer; Dan Wood; Nikki Nollen; and Jenny Boettger.

Projects undertaken by the DC-A NHS during the 1987-88 school year include sponcering two dances, planning and performing the induction ceremony, selling long johns, and sponsoring a food drive contest with donations given to the TAP in Denison.

Our most exciting project was sponsoring a high school intramural quiz bowl which started with twelve teams and took three different evenings to whittle down to one team winner.

STORY OF THE PLAY

Students from both East and West Rockton High are upset over the merging of their schools into one. But when Tommy, a transfer student from another school,interferes there seems to be some cooperation between the rival schools. Tommy's plans for a dance are met with delight from Ellen Sue and she dumps her boyfriend Spud for the peacemaker Tommy. The dance is to be a real hit with Skinny Chessman, a popular rock star, as the headliner. Miss Smith, the music teacher,has an opportunity for a reunion with her old college flame. However, being the only chaperone on hand when the group gets stranded, she fears the worst for her career. Skinny doesn't seem to be what he used to be and the reunion and dance appear to be doomed.
